WARNING/ATTENTION:

Please note that this Bluetooth compatibility list is for general indication only. The CN-GP50N Operation Manual shall prevail for any instruction or reference.

The functions described in this list were tested on one single model of each phone that was available at the time of testing. Phone compatibility results were accurate at the time of testing. As mobile phone software is being upgraded regularly, Panasonic cannot guarantee current compatibility with every software version. Functions and compatibility status in this list are subject to change without notice. Furthermore some mobile phones might communicate via Bluetooth but not be totally compatible and therefore lack some features such as e.g. address book

This compatibility list is not a guarantee for phone performance or functionality. Panasonic makes every effort to ensure that the information contained in the compatibility list is complete and correct. Despite these efforts mistakes cannot be completely ruled out. Panasonic does not accept liability for the relevance, accuracy or completeness of the information offered in the list unless the mistake occurred intentionally or through gross negligence. This refers to any loss, additional costs or damage of any kind suffered as a result of any use of any information in this list.

In order to leave no doubts regarding full compatibility Panasonic recommends you to visit a shop and to make a compatibility test with your own mobile phone and the CN-GP50N on display.

Mobile phones not shown in this list have not yet been tested. Regarding these phones Panasonic cannot guarantee compatibility. Particularly if your mobile phone is not listed Panasonic recommends you to visit a shop and to make a compatibility test with the CN-GP50N on display in order to leave no doubts regarding full compatibility.
